

成型真空デシケータ MVD-300

Lot. No. 1421507

A close-up photograph of a sewing machine's needle and foot assembly. The foot is positioned over a piece of light-colored fabric. A white, semi-circular pad is attached to the top of the foot. A black O-ring is visible at the base of the foot. To the right, a portion of a metal dial with markings is visible. The entire scene is illuminated with a warm, yellowish light.
