4 First aid measures

• Description of first aid measures

General advice:

Consult a physician. Show this safety data sheet to the doctor in attendance.

After inhalation: Supply fresh air. Call a POISON CENTER or doctor/physician if you feel unwell.

After skin contact: Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical advice/attention.

After eye contact: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If symptoms persist, consult doctor.

After swallowing: Rinse out mouth with water. Never give anything by mouth to an unconscious person. Do not induce vomiting. If symptoms persist, consult doctor.

• Information for doctor

• Most important symptoms and effects, both acute and delayed: No further relevant information available.

• Indication of any immediate medical attention and special treatment needed: No further relevant information available.

5 Fire-fighting measures

• Extinguishing media

• Suitable extinguishing agents: CO₂, extinguishing powder, water spray. Fight larger fires with water spray or alcohol resistant foam.

• For safety reasons unsuitable extinguishing agent: Water with full jet.

• Special hazards arising from the substance or mixture: No further relevant information available.

• Advice for firefighters

Protective equipment:

Wear fully protective suit.

Wear self-contained respiratory protective device.

6 Accidental release measures

Personal precautions, protective equipment and emergency procedures:
